

CRANMORE

ACADEMIC SCHOLARS

INFORMATION PACK

WELCOME

Academic Scholars benefit from a specialised and inspiring programme that fosters a lifetime love of learning. A tailored approach results in our scholars benefitting throughout their time at Cranmore, enjoying an array of opportunities that are designed to encourage intellectual curiosity, enhance academic accomplishments and provide an appropriate level of challenge.

Our Academic Scholars' Programme offers pupils a complimentary combination of mentoring, academic enrichment and extension opportunities that are designed into two development stages:

Lower School (Years 7, 8 & 9)

Upper School (Years 10 & 11)

This development structure allows us to offer an engaging level of stimulation for all Academic Scholars, inspiring them with opportunities that enhance the academic experience.

OPPORTUNITIES

- **Renaissance Project (Years 7 & 8):** Explore a wide range of subjects beyond the standard curriculum.
- **Aristotelian Award (Year 9):** Produce a 1500-word essay on a chosen Humanities or Science title.
- **Academic Competitions:** Participate in external challenges in areas such as Maths, English, Languages, and Computing.
- **Academic Mentoring:** Contribute to the school community by supporting peers through mentoring schemes.

EXPECTATIONS

An Academic Scholar will:

- Demonstrate inquisitiveness, organisation, thoroughness, integrity, and perseverance.
- Show a willingness to take intellectual risks and a passion for multiple subjects.
- Engage fully with academic enrichment activities (Renaissance Project, Aristotelian Award).
- Contribute actively to the wider academic life of the school through competitions and mentoring.

HOW TO APPLY

Academic Scholarships are awarded on the basis of excellence in the entrance exams.

Senior School Scholarships are available to candidates for entry at Years 7 and 9 and may also be awarded in Art, Music, Performing Arts, Sports and Tennis.
