- Tailored one-to-one support
- Apprenticeships and Internships
- Summer Work Experience:
 - The VESPA Study Skills Support Programme
 - The Aspirations Programme

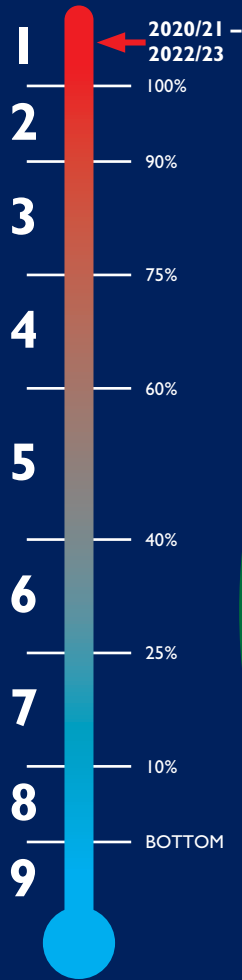

ALPS

Our ALPS three-year average value added score of 1 places our Sixth Form in the top 1% nationally.

We offer a wide range of A Level academic courses in The Sixth Form. Students may have already studied a number of these at GCSE and, in some cases, it is essential to have done the GCSE beforehand in order to progress to A Level. However, there are several subjects at A Level which are studied by students for the first time, including Economics, Business Studies and Media Studies, and there are also exciting opportunities to broaden academic horizons.

As a Sixth Form we ensure that our students leave us as ambitious, self-sufficient and mature young people, equipped to face the challenges of higher education and the workplace.

Introduction to The Effingham Sixth Form

We are excited and proud to introduce you to the Effingham Schools Trust Sixth Form. Our new co-educational offering will provide our students with a bespoke Sixth Form experience which ties together academic rigour, fulfilling enrichment, and expert preparation for the real world. The Sixth Form will feel distinctive in a modern campus, but familiar in retaining the Trust's core values and culture, placing community at its heart.

Director of The Sixth Form

We are pleased to announce that Mr Toby Clouston has been appointed as the Director of The Sixth Form for the Effingham Schools Trust.

Toby joins us from Fullbrook School where he has spent the last four years as Deputy Head, successfully growing their Sixth Form, overseeing the development of the new Sixth Form building, and latterly heading up Teaching and Learning across the school.

Prior to this, Toby spent four years at Ash Manor as Assistant Head responsible for both Teaching and Learning, as well as the development and evolution of their curriculum.

Toby was educated locally at St George's College, Weybridge and read International Politics at Leeds University. During his time at Tower Hamlets, Toby also played semi-professional rugby for Esher RFC, captaining the team during their seasons in the Championship. Toby is very much looking forward to joining the EST community in September and is excited to help shape the future of the co-educational Sixth Form.

Enrichment

Our Enrichment Programme is both embedded within the timetable and offered as a co-curricular option for Sixth Formers, providing them with the flexibility to choose elements of their timetable beyond A Levels. Students will, naturally, have the opportunity to undertake the Extended Project Qualification (EPQ), as well as the choices below, comprising both compulsory and optional elements:

Level 3 TEFL Qualification	Core Maths
Current Affairs	Peer Mentoring
Maths Masterclasses with The Royal Institute	EAL: IELTS
MOOCS	Learn a new Language: Sign Language
Level 3 Emergency First Aid Qualification	Yoga
Youth Mental Health First Aid Qualification	UCAS Lessons
Volunteering Placement	ABRSM Music Qualifications
	Specialist Application Pathways

THE SIXTH FORM

Rooms & Space

With the first phase completed in 2018, our Sixth Form Centre is bright and welcoming, and responds perfectly to the challenges of A Level student life.

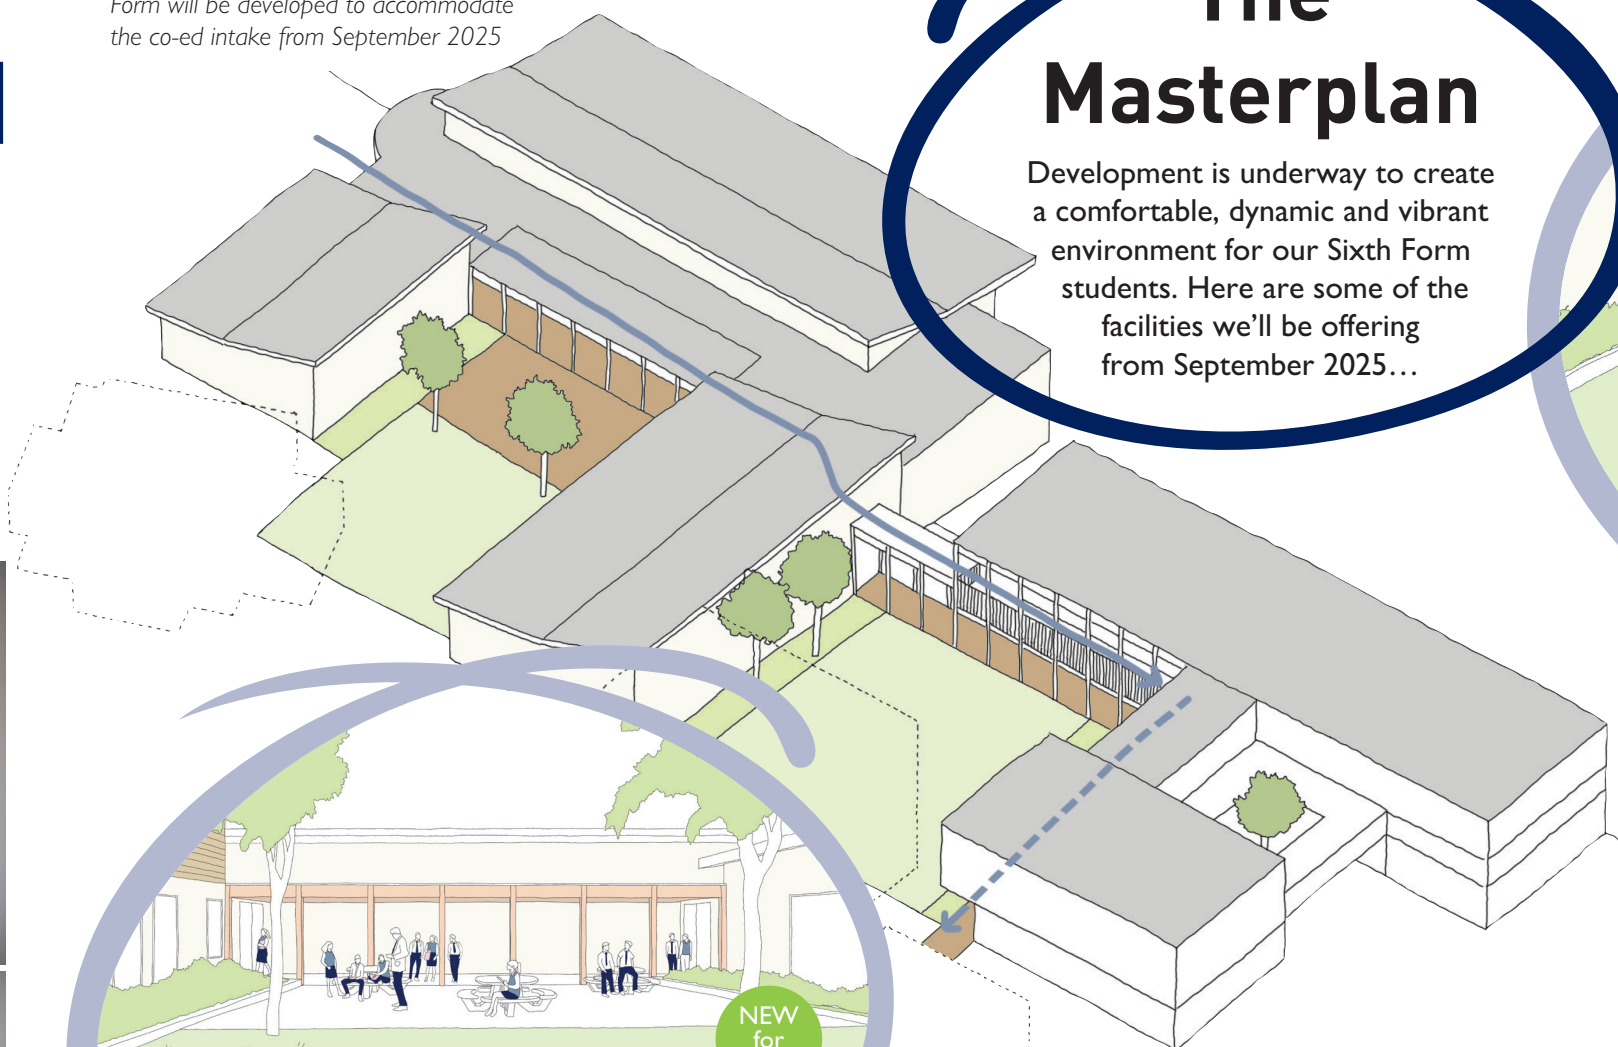

Lecture Theatre

The 124-seat lecture theatre is a key aspect of our Sixth Form, with students learning in a university-style setting.

Architect's plans show how the Sixth Form will be developed to accommodate the co-ed intake from September 2025

The Masterplan

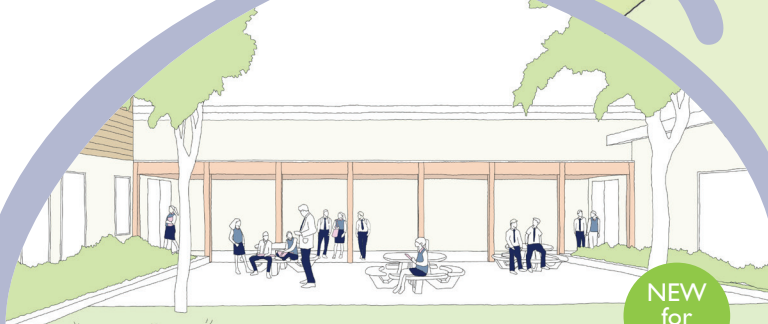

Development is underway to create a comfortable, dynamic and vibrant environment for our Sixth Form students. Here are some of the facilities we'll be offering from September 2025...

NEW for 2025

Quad and Covered Connection

The existing Sixth Form will have a new covered walkway linking the two buildings together, and a new picture window into the main hall will establish a visual tie.

NEW for 2025

Landscaped Courtyard

A green oasis in the middle of the hustle and bustle of Sixth Form life, the courtyard will also provide a cloistered walkway connecting the new buildings with the Felstead Centre.

Cafeteria

Students will partake of a variety of meal options in a vibrant atmosphere in our modern and relaxed café.

NEW for 2025

Design Technology

Budding engineers and product designers alike will enjoy our brand-new DT workshop.

NEW for 2025

NEW for 2025

Science Labs

With refurbished and modern facilities, the Sciences will continue to be a popular and thriving set of subjects, preparing students for cutting edge research at university.

Sports

From our 25m indoor pool to equestrian and multi-sport, all-weather pitches, the addition of a full-sized rugby pitch and a Wednesday games afternoon, we enjoy some of the most advanced and most varied sports facilities in the area, with more to come!

Multigym

Our new multigym will be equipped with an up-to-date variety of machines and weights, suitable for all abilities and interests.

NEW for 2025

Astro

Our refurbished Astro provides multi-functionality, and will be complemented by a new rugby pitch on the field.
