YOUR ESSENTIAL ROUND-UP FOR THE WEEK COMMENCING 28th JUNE 2021

Nursery

It is the final day of the summer term and it has come around so quickly. The children have had a very busy week. They had their moving up afternoon, meeting Mrs Prothero and Mrs Green and getting involved with various fun activities. At Forest School, the children participated in leaf rubbing, weeding the vegetable patch, swinging in the hammock and enjoying baking their s'mores on the fire. The Nursery children all said goodbye and a big thank you to Mrs Poulter at her surprise tea party.

The Pre-Nursery children have enjoyed spending time up in the Nursery this week and had their final lunch today in the Dining Hall! It was lovely to see all the children in their party clothes today. They all enjoyed our special party this morning; there was lots of delicious food and cake, dancing and party games!

All the Nursery staff would like to say a huge thank you for all your support and kindness this year. It has been a real delight watching your children develop and learn this past year. We have all been overwhelmed by the lovely gifts and thoughtful words from you all. Please all have a lovely summer, and we wish you all great success for next year.
