Nursery Weekly Newsletter

YOUR ESSENTIAL ROUND-UP FOR THE WEEK COMMENCING 18th JANUARY 2021

Nursery

In Nursery this week the children have been immersed in the world of Pirates!

They helped build their very own pirate ship which led to some wonderful imaginary play. They used different types of mixed media to create brightly coloured parrots for our display and had fun making their treasure maps, telescopes and pirate hats. On Thursday, all the children dressed up for our pirate themed day and took part in a treasure hunt!

In Science the children experimented with shaving foam and food colouring to create rain clouds. At Forest School this week Ellie introduced a new hand washing station, they did outdoor painting with watercolours and had fun on the rope swings and in the mud kitchen. Next week we are looking at traditional stories and fairy tales. On Thursday 25th January please could your child come dressed in a character of their choice.

Pre-Nursery

In Pre-Nursery the children have been focusing on Doctors. They have enjoyed role play in the surgery, making ambulance pictures as well as talking about healthy eating and creating delicious smoothies.

Next week the Pre-Nursery children will be focusing on their senses.

Next week please remember:

Please help your child to find something associated with the letter/sound 'f' and email it to me for our 'Show and Tell' session melanie.luke@cranmore.org

Please can you ensure that your children have a warm coat, hat and gloves available for the cold weather. They also need to have waterproof trousers and wellies in Nursery each day, as the grass and sand are damp when we go out to play.

If we could please ask that your child is in Nursery by 9am and collected at their scheduled time.

Kind regards

Ms M Luke, Head of Nursery
