Nursery Weekly Newsletter

YOUR ESSENTIAL ROUND-UP FOR THE WEEK COMMENCING 22nd FEBRUARY

I hope you all had an enjoyable half-term break with your children. We have loved hearing about the exciting experiences the children have had.

Nursery

In Nursery, the children are learning about Spring and have been involved in various craft activities to create beautiful daffodil pictures for our Spring display.

We took advantage of the milder weather and went on a walk in the school grounds looking for the first signs of Spring.

In our role play area the children have been enjoying some imaginative play in the 'Garden Centre.'

They have also started learning some new songs and actions for Spring.

At Forest School the children made some hedgehogs from clay.

In Science this week the children have been focusing on the human body and had the opportunity to look at some x-rays and draw around their bodies.

Pre-Nursery

This week in Pre-Nursery the children have enjoyed their Gym session where they followed the 'Sticky Kids' action songs. The topic this week has been 'Rumble in the Jungle.' The children have helped create a jungle in the home corner, made snakes, participated in jungle table top painting and made animal biscuits.

Next week please remember:

Please help your child to find something associated with the letter/sound 'd' and email it to me for our 'Show and Tell' session melanie.luke@cranmore.org

Thursday 4th March is 'World Book Day' – please could the children come in dressed up as a favourite book character for this event.

Please can you ensure that your children are collected at the scheduled time.

Kind regards

Ms M Luke, Head of Nursery
